110 – Board Governance Commitment

The Board of Education of Green Lake School District, supporting the welfare of students, the interest of the community, and the work of staff, holds itself accountable to the citizens of the District by ensuring that all actions it takes are consistent with the Board’s policies and philosophy of education.

The Board’s philosophy of education is that the District’s primary responsibility is to provide excellence in education for all children and to provide an opportunity for every student to succeed. The District will devote its energies and resources to achieve this goal within the means of the community. The Board’s objective is to provide students with instruction in subjects that are necessary to develop skills for successful and productive lives and to stimulate the development of intellectual capabilities, emotional well being, productive citizenship and each individual’s potential.

In fulfillment of its commitment to the citizens of the District and of its philosophy of education, the Board is obligated to:

1. Act for the benefit of students.
2. Govern through written policies.
3. Act in compliance with applicable state and federal laws.
4. Communicate with the district’s stakeholders and utilize appropriate strategies to ensure input from students, staff, parents/guardians and the community as a means to link to the entire community,
5. Allocate resources responsibly.
6. Review and modify (if appropriate) policies on a regular schedule.
7. Monitor and evaluate superintendent’s implementation of Board policies.
