

<b>SCHOOL DISTRICT OF GREEN LAKE POLICY</b>	<b>142 – School Attorney</b>
	<b>Board Operations</b>

**142 – School Attorney**

The School Board will retain an attorney to act as general counsel for the Green Lake School District. The School Board will designate its general counsel as a part of the School Board Reorganization Meeting. The school attorney will serve in an advisory capacity in matters of routine legal inquiries for both the School Board and the Superintendent. If the School Board wishes to search for different general counsel, the school attorney will be selected through an application process following the solicitation of proposals from law firms with expertise in Wisconsin School Law.

Other law firms may be used to provide advice as needed. The board will be notified of alternate law firm selections.
