362.1– Interlibrary Loan

The Green Lake School District recognizes that no single school media center can provide for the information needs of all its patrons. The school media center will share materials with the Caestecker Public Library upon request and availability. Interlibrary borrowing does not relieve any library of the responsibility for developing its own collection.

Therefore, the District shall participate in mutual resource sharing with but not limited to Winnefox Automated Library System, Caestecker Public Library and CESA 6.
