**434 – Released Time for Students - Senior Privilege Program**

**Senior Privileges:** It is the intent of Green Lake School District to teach students to make good choices and to use their time wisely. Senior privileges are meant to help our students prepare for life after high school. Seniors must apply for and meet the requirements of senior privileges before they are granted to them. If a senior has senior privileges, he or she is only allowed to be out of school for one class period. (Seniors coming to school late, leaving school early or leaving school during the day must sign in and out in the main office)
