

<b>SCHOOL DISTRICT OF GREEN LAKE POLICY</b>	<b>537-Professional Staff Development</b>
	<b>Personnel</b>

**537 – Professional Staff Development**

The School Board believes in the importance of staff development and improvement in creating excellence as well as furthering District and building curricular goals. Therefore, the Board shall provide opportunities for staff members to keep abreast of the changing needs of society and education through local in-service activities, attendance at educational conferences and workshops and advanced education courses.

Staff members shall be provided an opportunity to become involved in formulating staff development plans offered in the District.

Reimbursement for conference or workshop attendance and advanced education courses shall be in accordance with provisions of the current employee agreement, established procedures, and availability of funding.
