

SCHOOL DISTRICT OF GREEN LAKE POLICY	723.6 Pandemic Plan
	Support Services

723.6 - Pandemic Plan

The Green Lake School District will work closely with local, state, and federal agencies to achieve the following goals:

- Initiate practices that will help minimize or reduce the spread of the influenza virus
- Plan a response to help effectively manage an influenza pandemic
- Maintain educational functions and district operations during an influenza pandemic

Procedures will be implemented to meet these goals and will be included in the Green Lake School District Crisis Management Plan.
