Other	\$0.50 - \$2.00

FREE & REDUCED LUNCH

Families are encouraged to complete a Free and Reduced Lunch Application through JMC each year. All information is confidential.
Families must reapply in order to qualify each year.

FEE WAIVER

Students who have established eligibility for free/reduced lunches shall have student fees & dues, sports fees, field trip fees, and band instrument fees waived for the year once permission to share has been given.

In October, those families who no longer qualify for free or reduced lunches for 2026-27 will be billed for fees. New families who complete a free and reduced lunch application for 2026-27 will not have their fees waived until the eligibility is determined and permission to share information is given.

If you have any questions contact Karen Sondalle at sondallek@glsd.k12.wi.us or call 920-294-6411.

All fees can be paid online through the JMC Family Account (\$3 fee).

Payments can also be made in the office with cash or check.
