SCHOOL DISTRICT
AN ENVIRONMENT OF EXCELLENCE

Important: School Closing Friday, January 18, 2019

January 11, 2019

Dear Parents,

On Friday, January 18, the majority of the school's toilets will be out of operation to allow for repairs due to a manufacturer's recall on parts. Given that this date is scheduled as an early release day, we have decided to close the school for the entire day to allow for the repairs to be done.

After school practices and events are not cancelled. Hopefully, this letter will give you time to plan accordingly. Please let me know if you have questions or concerns.

Sincerely,

Mary Allen
7-12 Principal
Superintendent
